Thank you for your continued support of the Holy Family School SCRIP program. While we are happy to offer cards in the office and through monthly order forms. Did you know you have a lot more options and can buy SCRIPNOW if you sign up on the SCRIP website? It is easy to do!!

1. Visit www.shopwithscrip.com
2. Click the “Create Account” button in the green Family Sign Up box on the left.
3. Fill out the information.
4. Read over terms and conditions and click “I Accept”.
5. The next couple pages will ask security questions to help protect your identity.

When you have a PrestoPay account you can buy SCRIPNOW! Just look for the big exclamation mark on the Shop page of ShopwithSCRIP.com. Click on SCRIPNOW to see the retailers you can buy from home. Some of my favorites include Starbucks, Amazon, Applebees, Home Depot/Lowes, Groupon, Old Navy and Regal. Just choose the retailer you want, choose your SCRIPNOW amount and pay with your Presto Pay account. Then you can print your E-Gift Card and take it to the retailer right away!

Happy Shopping!
